## **ABOUT**

Kedasi is a collaborative workspace and education hub founded on the belief that innovative products and cutting edge technologies are by product of something called COMMUNITY.

# OUR REASON

The fact is:

**1** Home is lonely, un-inspiring, and cramped which unable to let your creative juice flows

**2** Office space is expensive especially if you are a startup or wish to be efficient

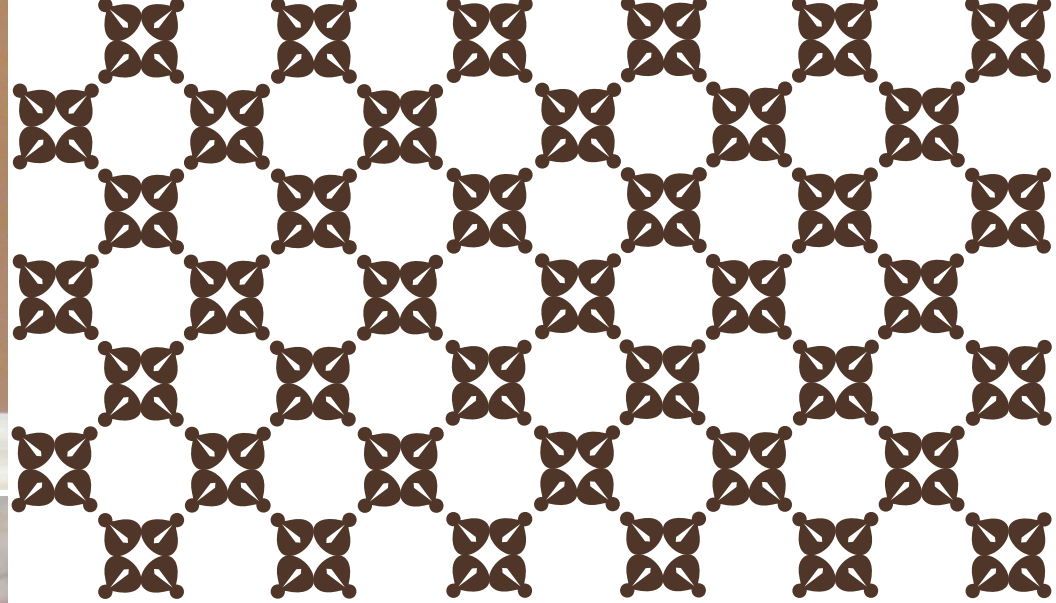

**3** Café is un-sustainable and unpredictable, sometimes you got chairs, but mostly you don't.

In conclusion, the **right environment** is important to ensure your energy and productivity. That's where we come in!

## OUR OFFERING

Our dynamic office promotes a culture of innovation, craft, and the exchange of powerful ideas. Whether you are film-makers, tech startup, designers, consultants, creative agencies or writers, our flexible resources and environment can allow you to focus on getting your work done.
